Krita is a painting program that has been around for a while, and in the last few years, underwent major changes and improvements. Because of these improvements, many artists are using it not just because it is free, but because it offers amazing features.

art program on Tumblr

Materials and tools. The application offers a wide range of traditional artists' materials and tools. With the aid of a graphics tablet or computer mouse, the user is able to reproduce the effect of physical painting and drawing media such as watercolor, oil, chalk, charcoal and color pencil. There are also a few non-traditional items, such as the Image Hose, pattern pens, F/X, Distortion and ...

Corel PaintShop Pro X7 User Guide

Yeah I see what you mean. Having done ATW in the past, I've considered both ideas-that the cock somehow, magically passes through an entire body without causing the harm it realistically would, or suggesting the womb/rectum in question has somehow been modified to travel the length of a slut's body.
