This is not a subject I normally tackle as I generally shy away, to put it mildly, from anything related to licensing. Regardless, this time round last year (Feb. 2016), VMware made some important revisions to the vSphere line of products and corresponding licensing schemes, not in the least their decision to drop vSphere Enterprise among others.

Would you do at home rehab exercises with your handicapped dog? Most pet owners know that rehab exercises benefit a dog with a spine injury or a neurological condition because it gives them more stamina and strength, but the majority of us are not doing any ongoing therapy.. In my situation there wasn't a canine physical therapy clinic in Las Vegas when Sophie became

paralyzed.
