I teach calligraphy and lettering over at Calligraphy.org, and would absolutely love to teach you the lettering aspect of journaling. I have a very, very beginning fundamentals class for hand-lettering right here. The hand-lettering fundamentals will show you how to push beyond just stick capital letters and lowercase letters to add dimension to your work.

Paper craft is the collection of art forms employing paper or card as the primary artistic medium for the creation of three-dimensional objects. It is the most widely used material in arts and crafts. It lends itself to a wide range of techniques, as it can for instance be folded, cut, glued, molded, stitched, or layered. Papermaking by hand is also an important paper craft.
