"Ed Emberley's Drawing Book: Make a World" really takes me back. From my earliest days in elementary school (early 80's), I remember this book. I did not then, nor do I know, have any appreciable artistic talent. Yet, this book made very common objects, people, and places very easy to draw with a fundamental step-by-step instruction.

I loved this book. When I was in fourth grade I used to look for all the 'Ed Emberley books' that I could because it was just basic drawing, now as a seventh grader I still love drawing just as much. I found that most people that think they can't draw thought otherwise after they came to Ed Emberley's books. Ed Emberley is one of my heroes!
