Many of these now historic gas stations are deteriorating or abandoned (Figure 1). Changing land use patterns have concentrated new development along commercial strips beyond the downtown and neighborhood locations where many historic stations survive.

### The Preservation and Reuse of Historic Gas Stations

This shawl was inspired by Estonian lace and especially the beautiful shawl, Laminaria, by Elizabeth Freeman. This shawl also shares the blossom stitch with that shawl. The border is inspired by various designs but mostly I had a mental picture of how I wanted it to look so I tried to transfer that ...

Shingles: Wood shingles were popular throughout the country in all periods of building history. The size and shape of the shingles as well as the detailing of the shingle roof differed according to regional craft practices. People within particular regions developed preferences for the local species of wood that most suited their purposes.
