Southwest House Plans Our Southwest house plans are designed with the American Southwest in mind, with natural materials and airy layouts perfect for the hot, arid climate. The history of this style goes back centuries, to when Spanish missionaries searching for gold instead came across the native Pueblo people, who built their homes in cubic ...

Southwest House Plans & Home Style Designs ...

Southwest House Plans. Southwest home plans embody the aesthetics of adobe homes. They can either be built out of massive adobe walls which stay cool in the summer and warm in the winter or in the adobe style. True adobe walls make the inside of an adobe home quiet, as they absorb and insulate from sounds both inside and outside of the home.
