USC Shoah Foundation â€” The Institute for Visual History and Education, formerly Survivors of the Shoah Visual History Foundation, is a nonprofit organization dedicated to making audio-visual interviews with survivors and witnesses of the Holocaust and other genocides a compelling voice for education and action. It was established by Steven Spielberg in 1994, one year after completing his ...

## USC Shoah Foundation Institute for Visual History and ...

Visual hierarchy refers to the arrangement or presentation of elements in a way that implies importance. In other words, visual hierarchy influences the order in which the human eye perceives what it sees. This order is created by the visual contrast between forms in a field of perception. Objects with highest contrast to their surroundings are recognized first by the human mind.
